### Have a moving dining experience on board Singapore GOURMETbus

By Nicole-Marie Ng

Go on a tour of Singapore unlike any other. The Singapore GOURMETbus will bring you on a tour of the city as you enjoy lunch or dinner on board.

This first of its kind dining experience in Asia is made possible as the luxury tour bus comes equipped with tables and booth seats. The bus also has a state of the art warmer that contains the dishes for a two-course meal.

The bus will take you on a two-hour tour of Singapore, making a pitstop at Gardens by the Bay when you can stretch your legs and explore the beautiful garden landscape. Aside from the iconic views, The GOURMETbus also aims to tantalise taste buds with delicious regional cuisine provided by Soup Restaurant and Indochine.

### No eating and drinking on the bus?

Break the rules and have a full meal on board a bus, an experience you will never be able to have anywhere else in Singapore.

The lunch menu is curated by Soup Restaurant and features their signature Samsui Ginger Chicken and assorted Dim Sum delights. The tour begins at 1pm daily and costs \$57 per person.

For dinner, you can expect an epicurean feast prepared by IndoChine. The tour runs from 7.30pm to 9.30pm so you'll be able to catch the sun setting over Marina Bay. The view is especially stunning at night as you drive past key sights like the Singapore Flyer, Esplanade, Merlion Park and Marina Bay Sands. The dinner tour is priced at \$97.

## Not just for tours

The GOURMETbus can also be turned into a mobile conference room. The bus is equipped with 14 projectors that can project presentations directly onto each table. Aside from corporate events, the bus can also be rented as a private event space, allowing you to throw parties all around Singapore.

Its unique dining experience makes it the perfect choice for special occasions. Guests who receive their seats from now till May 31 will receive 20% off the lunch or dinner show. Singapore GOURMETbus is also offering 25% off the lunch or dinner show anytime in May if you bring your mum on board.
